**Re: *Brainbuilders LLC, et al. v. Aetna Life Insurance Company, et al.***  
**No.: 3:17-cv-03626-GC-DEA**

Your Honor:

Per our discussions at the February 15, 2024 conference, the parties have agreed to continue settlement discussions. With Your Honor's assistance, we have set up a framework to move those discussions forward in the near term and exchange certain information. We ask that a follow-up status conference with a Magistrate be set 120 days from now.

Respectfully submitted,

A handwritten signature in black ink that reads "B. McCoy".
